**Subject:- Revision of subsidy pattern for cultivation of
Strawberry crops under NHM - regarding.**

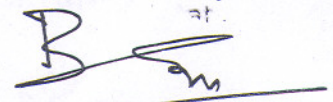

Sir,

Kindly refer to the implementation of National Horticulture Mission (NHM) during 11th plan period. As per the existing guidelines of NHM, under establishment of new gardens, subsidy for Strawberry is being provided in 3 installments of 60:20:20 subject to survival rate of 75% in 2nd year and 90% in 3rd year.

With the approval of competent authority it has been decided to disburse the subsidy for Strawberry in single installment instead of 3 installments from the current financial year.

This is for information and necessary action.

Yours faithfully

(B. S. Negi)

Deputy Commissioner (NHM)
