MESSAGE

I welcome you to the website of National Horticulture Mission (NHM) Scheme. This Scheme was launched during 2005-06 for the holistic development of horticulture in the country. This website is intended to provide all information about the Mission, covering scheme guidelines, cost norms & pattern of assistance, contact details of officials at State and Head Quarter level. Technical details/ information about cultivation practices are also updated periodically. Market information provides details about arrival and price of various horticulture commodities and has been sourced through Agmarknet. Besides, links have been provided to the websites dealing with horticulture development in the country. The portal also contains a 'Progress Monitoring System' (PMS) and workflow based MIS for monitoring of NHM scheme. The feedback module is meant to facilitate your feedback for further improvement of this portal.

(Sanjeev Chopra)
